The Power of an Hour With Jesus

I have shared much with you about Eucharistic Adoration but please take this moving word to heart:
The Eucharistic Holy Hour, More Powerful Than Anything Outside Of The Eucharistic Sacrifice, The Holy Mass.

This revelation was given by our Lord to Dina Belanger (1897-1926), a French-Canadian nun and renowned mystic who was declared Blessed on 20th March 1993. Jesus told her during one of her many Holy Hours: "Time spent with Me in the Blessed Sacrament counts for more than you think, possibly for far more than you could ever imagine!"

Jesus went on to say: "The value of making a Holy Hour: You Affect the Lives Of Every Person in the World during your Holy Hour, they are Graced, so let us remember this, each time that we may have any doubts whether the sacrifice of our time, in volunteering to cover a Holy Hour of Adoration before the Blessed Sacrament in the Tabernacle or on the Altar was a productive hour.

Remembering too that we may never see, know or hear on this earth if it was a productive hour as we come in faith, believing and trusting in this great, all mighty and all loving God.

You need to know that this is the number of people living in the world that you affected by your simple visit to our beloved Lord. This is the power of your Holy hour. You alone have affected the lives of every person on earth through your sacrifice of an hour spent before our beloved Lord. Please believe this.

If we ever wanted to stop wars, bring peace to earth, stop abortions of all kind throughout the world; this is the way to do it through acts, sacrificing yourself to spend quality time with Jesus- all He longs for is our company.

Question:

Where else, outside of The Eucharistic Sacrifice, can you have such a huge influence on human history? Because of your hour, they may be involved in. Souls, on the brink of Hell, Go to Heaven instead
