4ú Meitheamh 2023 - DOMHNACH NA TRÍONÓIDE - A

## Reflection

*The Trinity offers us a model of sharing, belonging and community. It also challenges our individualism and our demand that our rights be met all the time. The Trinity asks to be mindful of our responsibilities to those around us in our families, our neighbourhood and our parish community.*

*In the Christian tradition, when we begin our prayers, whether as individuals or a community, we do so by making the sign of the cross and calling on the power and presence of the Trinity. When we pray glory be..., we do the same. We deliberately and consciously ask the Trinity to be part of prayer and our daily life. Perhaps on the Feast of the Trinity we could say these prayers slower and let their meaning become part of us in a more intimate and personal way: 'Praise and everlasting glory to God the Father, to the Son and to the Holy Spirit through all ages'. (Prayer from the early church)*
