

PARÓISTE Naomh Fionán

11ú Meitheamh 2023 - FÉILE CHORP CHRÍOST - A

Reflection

Today's feast of Corpus Christi is about sacraments. It encourages us to reflect on the ways God uses the most simple human realities to bring us to the holy sacraments, how Grace and Divine Love are given to us through the physical elements of our human lives: water, bread and wine, the company of one another and the real physical presence of Jesus Christ.

Each Christmas we celebrate Jesus' historical birth, when his human body became a sacrament of the divine, revealing and making real the eagerness of Divine Love to be intimately present in human life.

Today's feast of Corpus Christi is like a continuation of Christmas, another celebration of the Incarnation of Divine Love, the unending eagerness of the divine to enter into our world, our lives, our hearts.

Jesus' followers down through the ages, even including all of us, are baptized into his death and life so that we can be his body and blood, sources of grace in our world.

The Brown Scapular

The Brown Scapular is popular with Catholics because of the Promises attached to it.

On 16th July, 1251, Our Lady promised St Simon Stock "Whoever dies clothed in the Scapular shall not suffer eternal fire".

The devotion has been recommended by numerous Popes. In 1981, when St. John Paul II was shot, he asked the attending surgeon not to remove his scapular.

Scapulars and explanatory leaflets are available, phone 086 3626257.

Enrolment by the Parish Priest will take place in the Church at an appointed time.
