## Reflection

*Jesus asks us to be careful that we do not dismiss even our smallest acts of love, kindness, forgiveness or compassion.*

*Great things can happen because of our smallest and seemingly insignificant words or actions. Our small acts of kindness can make a great difference to someone. We need to remember that what we say or do and how we treat each other can either tear a person down or build them up.*

*We are all 'mustard seeds', each of us having within ourselves the ability to accomplish great things for God's Kingdom.*

*The 'mustard seed' that Jesus calls us to be aware of is that 'divine spark' of God that we each have within us.*

*This enables each of us to contribute to the living and spreading the good news of the gospel, no matter how small our efforts may seem.*

*This 'mustard seed' faith tells us that even the smallest acts of compassion can spread further and wider than we could ever imagine or dream of.*
